The Challenge of
Wilderness

Origins

Founded in 1980, the George Wright Society is organized for the purposes of promoting the application of knowledge, fostering communication, improving resource management, and providing information to improve public understanding and appreciation of the basic purposes of natural and cultural parks and equivalent reserves. The Society is dedicated to the protection, preservation, and management of cultural and natural parks and reserves through research and education.

Mission

The George Wright Society advances the scientific and heritage values of parks and protected areas. The Society promotes professional research and resource stewardship across natural and cultural disciplines, provides avenues of communication, and encourage public policies that embrace these values.

Our Goal

The Society strives to be the premier organization connecting people, places, knowledge, and ideas to foster excellence in natural and cultural resource management, research, protection, and interpretation in parks and equivalent reserves.

Submitting Materials to THE GEORGE WRIGHT FORUM

The Society welcomes articles that bear importantly on our objectives: promoting the application of knowledge, understanding, and wisdom to policy-making, planning, management, and interpretation of the resources of protected natural areas and cultural sites around the world. THE GEORGE WRIGHT FORUM is distributed internationally; submissions should minimize provincialism, avoid academic or agency jargon and acronyms, and aim to broaden international aspects and applications. We actively seek manuscripts which represent a variety of protected area perspectives.

Length and Language of Submission. Manuscripts should run no more than 3,000 words unless prior arrangements with the editor have been made. Articles are published in English; we welcome translations into English of articles that were originally prepared in another language. In such cases we can publish an abstract of the article in the original language, where possible.

Form of Submission. We now accept articles in two formats: in manuscript (double-spaced) accompanied by computer disk, or by e-mail. We operate on Macs, and can translate most files from their original format; please indicate the version of the software. If submitting by e-mail, use the e-mail text as a cover letter. Do not embed the document—send it as an attachment. Again, note the version of the software used to create the attachment. For all submissions, give complete contact details (including e-mails) for *each* author.

Citations. Citations should be given using the author–date method (preferably following the format laid out in *The Chicago Manual of Style*).

Editorial Matters; Permissions. Generally, manuscripts that have been accepted are edited only for clarity, grammar, and so on. We contact authors before publishing if major revisions to content are needed. THE GEORGE WRIGHT FORUM is copyrighted by the Society; written permission for additional publication is required but freely given as long as the article is attributed as having been first published here. We do consider certain previously published articles for republication in THE GEORGE WRIGHT FORUM. Authors proposing such articles should ensure all needed copyright permissions are in place *before* submitting the article for consideration.

Illustrations Submitted in Hard-Copy. Submit original (*not* photocopied) line drawings, charts, and graphs as nearly “camera-ready” as possible. If submitted in a size that exceeds THE GEORGE WRIGHT FORUM’s page dimensions (6x9 inches), please make sure the reduction will still be legible. Color prints and slides are also acceptable; half-tones and photocopies are not. We particularly welcome good vertical photos for use on the cover, either in black-and-white or, preferably, in color. Please provide captions and credits and secure copyright permissions as needed, and indicate whether you wish materials to be returned.

Illustrations Submitted Electronically. We accept illustrations on floppy or Zip disk, on CD-ROM, or as e-mail attachments. All graphics must be in TIFF or EPS format (*not* JPG, GIF, or PICT). Scans must be at 300 dpi or higher. If in doubt, please ask for complete guidelines.

Send all correspondence and submissions to: The George Wright Society, ATTN: Editor, THE GEORGE WRIGHT FORUM, P.O. Box 65, Hancock, MI 49930-0065 USA.
